RESOLUTION ON GENERAL EDUCATION AND CURRICULUM AUTHORITY

Whereas, curriculum has historically been within the purview of the faculty, and

Whereas, the authority of the faculty in this area is being challenged with respect to matters of general education and transfer credit policy, and

Whereas, the resolution of problems relating to curriculum can best be settled by the expertise of the faculty in their respective fields,

Be It Resolved, that all issues relating to university curriculum policy at CUNY be settled by deliberative action of the appropriate Disciplinary Councils and college governance bodies.
